

# Activity Idea

<b>Activity</b>	Bonfire Night Play Dough
<b>Main Focus</b>	Measuring

## Activity Plan

<b>Resources</b>	<ul style="list-style-type: none"> <li>• Space themed playdough (see recipe in malleable play section)</li> <li>• Sequin stars (risk assess for younger children)</li> <li>• Glittery pipe cleaners</li> <li>• Playdough tools</li> </ul>
------------------	---

<b>Activity</b>	<p>Make the space themed playdough with the children. Add it to your continuous provision for the children to carry on their learning.</p> <p>Leave the activity for children to access freely. Be on hand to support them to measure out the playdough. Talk about the shapes of the sequins, length of tubes, size of the balls etc. but allow the children to freely investigate and explore.</p> <p>Take pictures of their creations and create a display. Write descriptions given by the children and any language they have used to describe their model.</p>
