---	---

One little flower, one little bee.

One little blue bird, high in the tree.

One little brown bear smiling at me.

One is the number I like, you see.

Resources	<p>You could make different elements of this rhyme out of different materials to help young children to count one. Children will love to make these.</p> <p>They may also like to make finger or stick puppets to represent the bird, flower, bear, tree and bee so children can sing this rhyme on a smaller scale on their own.</p>
------------------	---

Extension opportunities	<p>Can the children see any other 'ones' around the room and outside?</p>
--------------------------------	---

Home learning ideas	<p>Children will enjoy singing this rhyme at home, remember to provide the words, so parents and other family members can join in.</p>
